

*"Smart Liquid forms an essential part of my angling approach summer and winter. I use it on boilies, pellets, groundbait and particles because I have proven in my tank that the fish go crazy for it in cold and warm water.*

*They feed sooner, harder and longer when it's in the water massively increasing the chance of a pick up. I literally would not fish without it now. Look out for Thinking Tackle On Demand at Embryo Broom this summer, I smash the lake and have this mega mirror called 'Bullion' all using the Smart Liquid!"*

*- DANNY FAIRBRASS*

# FISH SMARTER NOT HARDER!

Water is the catalyst to **SMART LIQUID** infiltrating its underwater environment; throughout the lakebed and bottom substrate horizontally then climbing vertically, impregnating the water column with advanced amino's, palatants and highly stimulatory trace elements!

Due to Smart Liquids unique formulation, it's impossible to overload - simply add as required.

Available in four variants: CELL™, FISH, FRUIT & CREAM
