WINNER

To win once could be down to luck, but to win twice has to be down to the quality of the bait.

Give your vote to **The Cell** and see why this fantastic bait has impressed so many top carp anglers... and tempted so many big carp! Use **The Cell** as a dedicated base mix together with The Cell Activator, or as Fresh Frozen Boilies, Dumbbells, Hook Bait Enhancement System, Response Pellets, Dumbbell Hookers, Pop-Ups and Paste – **every one's a winner!**
