

MAINLINE ANNOUNCE THE END OF LONG-STAY CARPING.

MAINLINE'S NEW HIGH IMPACT BOILIES, POP-UPS AND HOOKBAIT ENHANCEMENT SYSTEMS

boast sophisticated attractors, enhancers and stimulants that start working as soon as they hit the water. What's more, High Impact Boilies are a complete food source, so carp show a preference for them in the long-term too. Plus they're shelf-life, so there's no reason not to carry them in your armoury for when you need to make an impact. And they're from Mainline, so you know they'll work.

Don't waste time. Use Mainline.

High Impact Shelf-Life Boilies, Pop-Ups and Hookbait Enhancement Systems are available in Spicy Crab, Banoffee, Aromatic Fish and Essential IB
