

CHANGE YOUR FUTURE WITH **NEW GRANGE**

When Ian Chillcott left the Paras, he had a couple of opportunities.

Thankfully, he chose Mainline and the chances it gave him.

Get your opportunities with the **NEW GRANGE** as a dedicated base mix together with The New Grange Activator, or as Fresh Frozen Boilies, Dumbbells, Hook Bait Enhancement System, Response Pellets, Dumbbell Hookers, Pop-Ups and Paste...

Chilli did!

... And look out for our Pink and White, Hi-Visual Fluoro Pop-Ups in **NEW GRANGE** and **THE CELL**. Devastating on their own or fished over standard boilies and pellets.
