

DISSOLVING THE GOING BAIT.

Unlike any other hook bait, **DISSOLVAS** slowly dissolve in water, streaming a constant plume of attraction from your hook bait. Unbeatable as singles, 'matching the hatch' or over a bed of bait. However you fish, you can't afford to be without 'the going bait'. **Pick up DISSOLVAS from your Mainline Stockist NOW. Going fast.**

**BETTER BAIT
THROUGH RESEARCH**

Available in Cell™, Hybrid & Essential Cell (available May '16) as 18mm Hookbaits (Approx. breakdown time in average conditions 4hrs - although times may vary according to water temperatures)
