

# YET MORE POWER TO YOUR PELLET, PARTICLE & STICKS

Mainline's **ACTIVE ADE PARTICLE & PELLET SYRUPS** & **STICK MIX LIQUIDS** deliver maximum pulling power to your particles, pellets and groundbait. The thick syrups spread through the water column to promote a frenzied feeding response from all species. Plus, because of the natural attractors, you can't overdose them. They're even PVA Friendly.

**Active Ade Particle & Pellet Syrups** are available in **NEW ESSENTIAL CELL** AND **BELACHAN BLACK**, Active-8, Active Maple-8, Halbut, Pineapple Juice, Condensed Coconut Milk and Tiger Nut. **Stick Mix Liquids** are available in **The Cell**, **Clockwork Orange**, **Banoffee** and **Hybrid**. All in 500ml bottles.

**PVA FRIENDLY**
