

NEW!

FOR THE POWER HUNGRY

From the corridors of power at Mainline come four new Power Particles to give you total dominance over any carp you choose. Each blend has been meticulously prepared to be fresh and bursting with natural attraction (just like our boilies), lavishing in their own natural sugars and stimulants, for up to 2 years if left unopened... Perfect for keeping in the boot or barrow.

TIGMIX

Mixed black, white and traditional tiger nuts. An incredible alternative to standard tiger nuts.

HEMP & MAIZE

The classic combination to trigger intense feeding, preoccupation and to hold fish in your swim.

NUT CRUSH

Crushed peanut and tiger nut. An invaluable addition to stick mixes, groundbaits and spod mixes.

NUTTY HEMP & TARES

Another big fish classic taken to new heights with the addition of crushed peanuts and tigers.
